## Worship in God’s House

*“I rejoiced with those who said to me, ‘Let us go to the house of the LORD.’” (Psalm 122:1).* What a blessing it is to be able to hear and learn about our Savior and sing His praises, all in the company of fellow believing Christians! Regular church attendance is a weekly opportunity to grow in faith together as a family. By their example, parents assist their children in worship by showing where the hymn verses, liturgy, and Bible passages are found, by singing with an open heart and voice, by giving full attention during the sermon, by seating the family in a place in church as to keep the focus, along with giving generously to God what he has already given to us. Encourage the confirmed members of your family to be strengthened regularly by receiving the Lord’s Supper. Make the day of worship in church the special day that it is!

*What can solidify a family better than to have father, mother, and children regularly hear the sacred Word of God together; regularly join in singing their Maker and Redeemer’s praise? What can bring them greater joy and peace than to hear the Gospel of eternal life as a unit? What can make them more aware of their unity than to know that they are bound together not only by earthly relationships, but by the much more binding blood of Jesus Christ? No drive through the countryside, no picnic, motor boat ride, or fishing expedition can equal this in value. (Rev. C.S. Leyer, Remember When ... Shall I Say?)*
