Matthew 19:26

*"But Jesus beheld them, and said unto them,
'With men this is impossible; but with God all things are possible.'"*

What a wonderful time of the year it is, starting out our school year with God's Word, as given to us through our pastors in chapel, and with God's promise that all things are possible through Him. With that promise, we go forward in Christ, preparing ourselves and teaching our children to go into the world carrying the banner of Christ in faith, sharing the gospel with the world.

In Matthew 28:16-20; Mark 16:15-18; John 21:1-14, Jesus gave His disciples the Great Commission to go and make disciples of all nations.

Jesus gave that command also to us and to our children. And since God has given each of us different gifts and abilities, each of us carries out that commission in different ways.

Each of your children has been given wonderful gifts and abilities that can be used for God's kingdom. How can they all be used to His glory? Perhaps suggest becoming a teacher or pastor. Tell your child that pastors and teachers have many different kinds of gifts. No two are alike.

God has given every child gifts and abilities. With encouragement your child will work hard this year to discover and develop those gifts so that he or she can show thanks to God by carrying out the Great Commission.

Missions

Missions for this semester will go toward the Lutheran Mission of Salvation-India (LMSI) is a mission of the Evangelical Lutheran Synod. The mission is divided into the Hyderabad, Rajahmundry and Jabalpur districts and has over 25,000 baptized members and cares for over 200 orphans in 17 orphan homes.

Each Wednesday your children have the opportunity to contribute toward the spread of God's Word to souls throughout the world. Encourage and remind them of these important opportunities.

Welcome!

Welcome to our preK 3 teacher, Mrs. Patty Block, to our new students, and to our returning students here at Holy Cross Lutheran School. May God bless your time with us.

Thank You

Thanks to everyone who spent hours upon hours cleaning our school this summer. It looks fantastic, shiny, clean, and great! We thank God for your dedication and time.

After School Care

The ASC rooms have been moved to the former 7th grade classroom (next to the 7-8th grade room). When picking up your children, please go to the back parking lot doors (next to the dumpsters), ring the "ASC" doorbell located on the door, and a worker will come to let you in. Thank you for making these adjustments.

Volleyball & Cross Country

The volleyball teams meet with their coaches on Tuesday and the Cross Country team meets on Friday to discuss the upcoming season. The athletic director will discuss athletic policy and schedules; the coaches will follow with introductions and further information. Parents may attend, but it is not mandatory. Students who have signed the athletic code of conduct at registration are eligible to participate, play, and practice.

Special calendar notes:

The picture day date has recently been scheduled, but has been omitted on some earlier calendars. The scheduled date for pictures is Monday, September 21, 2009.

The teachers' conference dates, previously scheduled for October 22-23, have been moved back a week to October 15-16. We will not have school on the 15-16 of October, but will have school on the 22-23.

God's blessings on your school year!
